LinkedIn : [linkedin.com/in/andrew-girgis-a4579a214](https://www.linkedin.com/in/andrew-girgis-a4579a214)

Github : <https://github.com/AndrewGirgis099>

Objective

I am seeking a competitive and challenging environment where I can serve your organization and establish a career for myself and use my experience and education to help the company meet and surpass its goals

Education

- Faculty of BIS (Business Information System)-El Zamalek-Helwan - University Cairo, Egypt
 - Grad : Excellent with GPA : 3.95
-

Work Experience :

- **January 2023 – present**
Worked as a Frontend Developer on the Upwork platform for one year, where I developed and designed efficient and appealing user interfaces. Responsibilities included analyzing project requirements, translating designs into interactive web pages, and ensuring the compatibility of sites with various browsers and devices. Collaborated with multiple teams and interacted with clients to successfully achieve project goals.
-
